

STARTUP PACK - THE ACCESSIBLE INTELLECTUAL PROPERTY

A team at the service of innovative businesses.

DO NOT NEGLECT THE PROTECTION OF YOUR STARTUPS ANY LONGER

As an Industrial Property Attorney, Dreyfus provides you with tools and a highly qualified team to help you protect your intellectual property assets and your rights on the Internet.

SAFEGUARDING YOUR INTELLECTUAL PROPERTY: OUR PRIORITY

Holding intellectual property rights sends a positive message to potential investors, for instance, when you want to raise funds.

A TEAM AT YOUR DISPOSAL

As an expert in the digital economy, digital strategy, cybersecurity and intellectual property, Dreyfus is committed to providing you with a qualified team of lawyers and engineers, as well as a broad network of trusted professionals, to offer you personalised support in the development of your project.

COMPETITIVE PRICES

Dreyfus offers you affordable rates for prior art searches in France and the European Union, as well as for the filing of your French and European Union trademarks. The firm also offers to set up monitoring of your intangible assets.

"EASILY LEADING YOU INTO A COMPLEX UNIVERSE"
